

Wolverines Tackle Winnemucca Here Saturday At 2 P.M.

High School Will Play First Home Game Against Tough Rivals

The Tahoe Truckee Wolverines, following a light practice schedule last week, resumed their heavy work-out Monday in preparation for the first home game of the 1956 season, which begins Saturday, September 29 when they host the Winnemucca Buckaroos on the Wolverines' home field. Game time is 2 p.m.

Coach Stan Drakulich and his assistant, Dan Holub, have been concentrating on stiffening up the defense at all points as well as attempting to add more passing threat and backfield punch to the offense. With no serious injuries incurred in the Douglas game, the squad should be at full strength for this crucial Western Nevada Conference game. Doug Cooke, injured in pre-season practice, should be ready to return to the lineup and help bolster the end position along with Captain Bob Trask, Dave Holleman and Dave Rickert, six feet three inches newcomer who did a fine defense job in the opener.

Stay In Stands
High school officials have asked, in keeping with the western conference's request, that all spectators remain in the stands during the period of play for all home games. This request is two-fold, in that a sideline crowd creates a danger both to themselves and to the players, and it also creates a nuisance and inconvenience to all spectators who have paid to see the contest. Student guards, made up of members of the block T organization of the high school, will be on duty throughout the contest to help alleviate this situation from the Wolverines home games. The cooperation of the entire student body and the local fans will be asked at all times.

Director of Athletics Jim Brehler reminds fans that season tickets for the Wolverines four home games are still on sale by members of the senior class and football team, and tickets will be sold at the ticket booth during the Winnemucca tilt. This will be the closing date for sales. The tickets are priced at \$3, thereby allowing the purchaser to save \$1, or the price of one game, when purchasing a season ticket. A special reserved section of the bleachers will be roped off for all season ticket holders.

School officials have also announced that there is now a new entrance into the high school football field, necessitated by the destruction of the old bridge last winter. Spectators will now drive into the field from a new entrance, located approximately 100 to the school. This entrance will yards east of the main driveway be plainly marked, and automobiles will be permitted across a newly constructed bridge, with a short roadway leading directly into the parking lot and field area just south of the creek. Spectators parking on the school grounds will have to walk the short distance to the field, using the same bridge as the automobiles to cross the creek.

LIQUOR, CIGARETTES STOLEN AT RESORT

RENO—Makings of a whooping party was stolen Thursday night from the Hirschdale Lodge on Highway 40 midway between Reno and Truckee.

Truckee authorities said burglars who entered the lodge made off with 25 bottles of whisky and 15 cartons of cigarettes.

COCA-COLA PLANT ENTERED BY THIEF

Deputy Sheriff Roy Waters was called to the Truckee Coca-Cola Bottling plant Sunday morning to investigate a burglary there during the night.

A rear window had been broken into allow entrance and the safe in the office had been punched open. Known to be missing was \$10 taken from the safe.

Oscar Schumacher, who lives near the plant, said he heard a car speed away about 4 a.m. and it was presumed it was occupied by the thief.

FIREMAN HURT AS HAY TRUCK BLAZES

Fire starting from an engine exhaust Sunday morning ignited a load of baled hay at the state quarantine station and the Truckee Volunteer Fire Department was called to extinguish the threatening blaze. The alarm was turned in about 2 a.m. Only small damage was done by the blaze.

Robert Moore, a member of the department, suffered broken ribs when an extension ladder on which he was standing to fight the blaze collapsed. He was treated at the Tahoe Forest Hospital and removed to his home.

Scout Fund Drive Slated To Begin In District Oct. 10

The Boy Scout fund drive for Truckee and Donner Summit area is to take place October 10. Bill Sciutto will head the drive, assisted by Majors Lynn Kishbaugh and Reg Smart. The drive is aimed at helping every boy in this area who is interested in Scouting. This is how an investment in boys in the Tahoe Area Council is used:

(61c) Service to Boy Scout Troops and Cub Packs and Explorer Units.

(18c) General Administration.

(14c) Camping and Activities Program for Boys.

(4c) Training Adult Leaders of Boys. Organization of New Boy Scouts.

(2c) Troops and Cub Packs and Explorer Units.

(1c) National and Regional Services.

Kishbaugh and Smart will act as majors in the drive. Kishbaugh has selected the following men as his captains: Darol McGihon, Ken Gordon, Daven Morey, Russ York and Willie Curran.

Smart has chosen the following men to work as captains: Bill Englehart, Jr., James E. Walker, Paul Doyle, F. W. Wilson and B. E. Nelson.

There will be a captain's meeting at the high school, October 2, at 8 p.m. to organize the drive.

The following week on the 10th of October 54 men will meet at Smart's for a free breakfast to kick off the campaign.

Local persons who are giving of their time and help to the Scouting movement in this area are: Nelson Stone, Scoutmaster; Darol McGihon, Cubmaster; Den Mothers: Mrs. Alex Ayala, Mrs. Martin Sturcke, Mrs. C. E. King and her assistant, Mrs. Davis; Mrs. Darol McGihon, assisted by Mrs. Joseph Straub.

"I know that you and I have the greatest confidence in the young boys of the area. Scouting is a force for the good and when you contribute to this drive you will feel that you have done a good turn as a citizen," Sciutto declared.

THREE BOYS ARRIVE AT LOCAL HOSPITAL

Three boys arrived at Tahoe Forest Hospital during the weekend to add to the area's population and included Scott M. Hunter, son of Mr. and Mrs. James D. Hunter of Truckee. The child was born on September 20 and weighed a compact 5 pounds, 6 ounces at birth.

The second local lad was named Richard Carlton, son of Mr. and Mrs. Hugh Weinand. His arrival weight was 7 pounds, 2 1/2 ounces. Dr. Ben King was the attending physician at both events.

Mr. and Mrs. Wilber Newall of Kings Beach became the parents of a son on September 24. Allan Wayne, as the child was named, weighed in at 6 pounds and 10 ounces.

Dr. W. Prescott was the attending physician.

Rose Employes Gather For Picnic At Donner

Employes of Rose Brothers Z Market here wound up a busy summer season Sunday with a picnic at Donner Lake to which the families were invited.

Highlight of the afternoon was the barbecued steak dinner prepared under the direction of Zeph Rose. Water skiing, singing and visiting provided entertainment for the 43 attending.

Those present were Mr. and Mrs. Dave Rose and family, Mr. and Mrs. Zeph Rose and family, Mr. and Mrs. Russell York and family, Mr. and Mrs. Charles Smith and family, Don Hill and family, Mr. and Mrs. James Gardner, Mr. and Mrs. Robert Leamon and family, Mr. and Mrs. Frank Giovannoni and family, Mr. and Mrs. Harvey Hocker, Harold Brown, James Hutchins, Tom Grow, Miss Snooky Ring and Miss Karen Sherrick.

TAHOE WEATHER
TAHOE CITY—A half inch of precipitation in the form of rain was recorded at Tahoe City last Thursday, followed by clear ideal Indian summer weather. Temperatures ranged from a low of 34 to a high of 70 degrees. With three gates open the level of Lake Tahoe was 6228.38 feet on Monday.

Trailer Court Will Be Built For 100 Units On Shortcut

Bay Area Man Purchases District Property For Trailer Park

During the past week, Edwin A. Hedlund of Castro Valley purchased eight acres of land along the Truckee-Kings Beach road from the Truckee Public Utility District for the sum of \$10,000 and plans to develop one of the most modern trailer courts in the Sierra.

Hedlund proposes to develop the site to accommodate upwards of 100 trailers and to provide the latest in trailer court facilities. He hopes to have it in operation by next spring.

The grounds will be landscaped, have large lots, modern washrooms, with the latest in washing, drying and ironing facilities and will be equipped with a children's playground and campfire facilities.

The development is expected to fill a long-felt need in this area, where dozens of trailers each year, for the lack of suitable accommodations, have squatted on lands along the Truckee river and other streams illegally, resulting in hazardous health conditions which have caused some concern to state and county health departments, the state housing department and the water pollution control board.

The utility district, in the sale of this parcel of land, has included in the price the cost of extending its utilities and the work is well under way erecting poles and laying pipe lines. The area will be served with a pressure pumping system. A portion of the pumping plant originally installed to serve the Gateway Park subdivision is being transferred to a location near the district's south springs along the shortcut. It is expected that water can be delivered to the trailer court site at between 40 and 60 pounds pressure, Manager C. Edmunds said.

This same site was elected by Clarence Osburn earlier this year for a trailer court and he and a number of local businessmen were interested in financing the project as a community enterprise, but upon learning of Hedlund's interest, they welcomed the opportunity to turn the project over to him.

FIRST CUB SCOUT MEETING IS HELD

Parents and members of Cub Scout Pack No. 7 met on Tuesday evening with their leader, Darol McGihon for the first pack meeting of the fall season, David Sorani leading the flag salute.

Robert Roth, secretary for the group said that a three years pin was awarded Joe Straub, one year pins being given to Mike Ingalls, Skip Peterson, Ed King, David Sorani.

Silver arrows in the Wolf rank also were awarded to David Sorani, Skip Peterson, Jim Roth and Mike Ingalls. In the Bear rank the silver arrows went to Jamie Hamilton, Steve Davis, Dick Ingalls.

Future Pack meetings will be held in the high school building.

Third Daughter Arrives For Lorrin Ferdinands

Mr. and Mrs. Lorrin Ferdinand welcomed their third daughter on September 24 at Reno.

The parents decided on Cindy for the little girl's first name and her father said her birth weight was a plump 7 pounds 9 ounces.

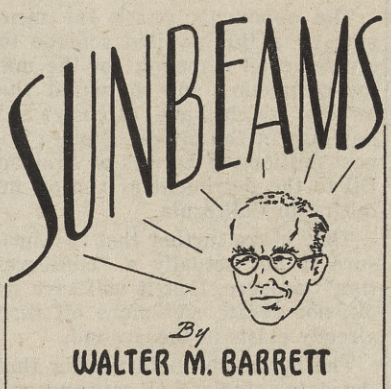

Sunshine Girls To Elect Officers At Oct. 3 Meet

Presentation was made to Myra Sadler, grand chief of the Pythian Sisters of California and to each of the officers at the September 19 meeting of the Pythian Sunshine Girls Donner Council.

Election of officers for the organization will be held on October 3 and a program of entertainment is tentatively planned for October 26.

CLOSE ONE DAY

Truckee's two barber shops, Ernie's and Jim's will be closed each Monday throughout the winter months. The new schedule starts October 1.

There is every indication that sooner or later the County of Nevada will impose the recently authorized county sales tax. Herein rests another very valid reason why Truckee should be an incorporated town. If we hope to share in the proceeds of the unnecessary sales tax under our present status we are mistaken. Like all similar taxes, we here will be required to pay our share into the coffers, but the disbursement will be handled without our consent. We do not think it is an equitable way of raising money, but it will provide no decrease from the present tax costs and can only result in an added burden. However, if we were incorporated, the sales tax would be returned to the city to a large extent. We believe the only sure way to cure a lot of our current ills, is to organize ourselves.

Two Treated For Gun Shot Wounds

Two gun shot victims were treated at the Tahoe Forest Hospital during the first weekend of the deer hunting season in this district.

George Cogwan, 19, of Mill Valley, shot himself in the right leg with a .22 calibre revolver which he was drawing from its holster. The bullet ripped through the upper part of his leg but after treatment he was permitted to return home.

William J. Ross, 35, Sacramento, was taking a .22 calibre gun from his car at Squaw Valley when the weapon fired, the bullet hitting him in the right foot. He was also released after treatment. Deputies Sheriff Roy Water and Emory Lander investigated the accidents.

SKI LIFTS IN AREA GET OFFICIAL PROBE

Ski lift operators of this region met Monday night at the Pfeiffer House at Tahoe City with John Kilsby, district engineer for the state division of industrial safety and Cecil Normandin, safety engineer, to discuss safety measures for the approaching winter sports season.

Following the gathering, the two officials conducted a tour of the various lifts to provide assurance that all safety measures will be complied with and eliminate hazards.

Ski lift operators welcomed the inspection by the officials.

Professor Will Address Nursery School Meeting

Dr. Robert McQueen, assistant professor of psychology at the University of Nevada, will speak at 8 o'clock, October 3 in the Tahoe Truckee Unified High School cafeteria.

The subject of the talk will be Hygienic Training. The program has been arranged by the mothers of the Tahoe City Nursery School.

Potluck Supper Will Be Held During OES Meet

The Order of the Eastern Star will hold a business meeting on October 2 at 8 p.m. This will be preceded by a potluck supper at 6:30. All members and families are invited to attend.

This stated meeting will be the only one in October because of the Grand Session held in San Francisco October 15 through 19.

Nicky and Bud Mandeville, matriarch and patron, will preside in the East. Grand Session in Nevada will be October 4, 5 and 6.

FIRST ANNIVERSARY

Smart's Restaurant and Cafeteria celebrated its first anniversary on September 24 with the cutting of a decorated cake and coffee being served Monday evening.

Delay Requested On Airport Plan To Permit Study

CAA Officials Give Field Here High Rating As Essential Location

Acting upon a suggestion by officials of the Civil Aeronautics Authority, local supporters of a plan to construct a \$500,000 airport to serve this region, Tuesday agreed to withhold application for federal financial assistance until more preliminary preparation has been completed.

The delay, providing these preliminary projects meet with the approval of the people of the district, will not exceed one year, and if all goes well, work can be started on the proposed field early in 1958 for completion that same year or by the spring of 1959.

T. E. Flaherty, district airport engineer, and George Gary, engineer from the CAA office at Los Angeles, were here Tuesday to discuss progress of the plans with local supporters of the project. Both agreed that the site is ideal and that support by the CAA will be forthcoming when certain stipulations are met locally.

One of the foremost requirements set forth by the CAA officials is the necessity of providing as acceptable a sponsoring organization and raising or assuring adequate matching funds. It was agreed that this could best be accomplished by establishing a district and floating a bond issue in the required sum.

The federal government will provide slightly more than half the money needed for the purchase of land and building the essential facilities.

Flaherty pointed out the potential values of having a field in this area and declared that property value increases and business developments would naturally follow.

This same optimistic prediction had been made previously by Clyde Barnett, head of the California Aeronautic Board, as well as other officials who have scanned the site and studied the needs for such a facility.

John Corbin, district school superintendent, who has replaced E. V. O'Rourke on the community airport committee, presided at the informal meeting held Tuesday at the high school attended by the CAA officials, Supervisor H. G. Loehr, C. Edmunds, Hal Welch and Walter Barrett.

Two Initiated During Meeting Of Lions Club

John Corbin, district superintendent of schools and Paul Doyle, telegrapher for the Western Union were inducted as members of the Lions Club at last night's meeting at Donner Lake Lodge. Earl Stice handled the initiation ceremonies and Roy Waters presided at the meeting. Orla Swager transferred as a member from Roseville.

Guests were Bruno Bellotti of Truckee and S. H. Beane, auditor for the Southern Pacific from Sacramento.

At the meeting September 19th, Stanley Drakulich, local high school coach gave an interesting talk on coaching. Guests included Vernon Stoll, district attorney from Grass Valley and Irv Lenke of Novato.

Truckee Woman Suffers Serious Nose Hemorrhage

Mrs. Oliver Robinson is in a Reno hospital undergoing treatment for ruptured veins in her nose which resulted in a critical hemorrhage. Mrs. Robinson accompanied her husband and a party of hunters to Lassen County on a camping trip and it was there that the nose bleeding started. She was rushed to the Loyalton Hospital and later transferred to Reno where her condition Tuesday was described as critical and where blood transfusions were being administered.

RECRUITER HERE

A U. S. Navy recruiting representative, D. C. Robertson, AOC, will be at the post office in Truckee on Friday, October 12 between 2 and 3 p.m. to accept applications and answer any question pertaining to the navy and its various programs.

Officials Validate 225 Tags As Deer Hunt Starts Here

A total of 225 deer tags had been validated in Truckee up until yesterday, Henry Toccalini of the U. S. Forest Service reported. One hundred and fifty-five of that total came in during the opening weekend and 70 since that time.

The count was approximately the same as for the opening weekend of the season last year and number of hunters in the field was slightly less than in previous seasons.

Toccalini said that not a single forest fire was reported during the weekend although one since that time in the Boca area was blamed on a neglected camp fire.

Only three game violations were reported by Judge F. W. Wilson. All three were for having loaded guns in cars.

One altercation over the ownership of a deer shot in the Donner Lake area resulted in three complaints being filed by Peter DeForte, Sacramento, against Wes Fair and the latter's father-in-law, R. L. Hall of Long Beach. Fair and his party claimed they shot a deer which DeForte and his party were tagging.

As a result of the ensuing discussion, Fair and DeForte engaged in fistfights and the latter secured complaints charging Fair and Hall with assault.

Both entered pleas of not guilty before Judge Wilson and asked for jury trials.

TIRE BLOWOUT IS BLAMED FOR CRASH

Three hunters were injured, one seriously Sunday afternoon at 4 o'clock when an old weapons carrier blew a tire near Norden and rolled down the grade on Donner Summit.

The driver, Linvel Phillips, 17, Folsom, was not injured, but his brother, William, 16, was pinned beneath the vehicle and was taken to the Tahoe Forest Hospital with a bad fracture of his skull.

The boy's father, James A. Phillips, 45, had minor injuries and Bea Lewis, 37, was treated for major injuries.

Patrolman Martin Sturcke made the investigation but held the driver blameless for the mishap.

Donnie Walker Feted At Birthday Party Here

A birthday party was given for Donnie Walker on Saturday afternoon by his parents, Mr. and Mrs. James Walker.

Seven candles completed the decorated birthday cake and the event was a gay one for the small friends of the honoree.

Those invited included Fosten Wilson, Jerry and Monte Neugebauer, Bruce Leamon, Bruce King, Kathy Braasch, Jimmie Roth, Susie Olan, Mary Ann Moore, Russell Glenn, Monte Straub, Gary Waters and Larry Digesti.

MILO BROWNE GETS LOCAL YARD PROJECT

SACRAMENTO (CNS)—Bids for grading a portion of the yard area, and construction of a sand storage shed at Truckee Maintenance Station, were opened by the division of highways. Low bidder on the project was Milo A. Browne, of Kings Beach, who asks \$25,885 for the job.

The only other bid for the work was submitted by the Pyramid Construction Company of Nevada at \$27,085.

Edmunds Escapes As Car Forced Off Highway

C. Edmunds, manager of the Truckee Public Utility District, escaped injury but his car was badly damaged Friday afternoon when he was forced off the highway near Baxter by a speeding vehicle.

Edmunds was returning from a trip to Sacramento when the car sped by, clipping the Truckee man's car and forcing it into a guard railing. The second vehicle did not stop. After roadside repairs, Edmunds continued home.

Visit Here—

Mr. and Mrs. Jack Pearce, former Truckeeites now living in Reno visited with friends here and at Carnelian Bay this week.

Queen Contest To Be Featured Here At Big Buck Stew

Three Contestants Entered As October 14 Set As Feast Date

Once again it's Buck Stew Time. Plans are going forward, under the capable direction of Vice President Charles Osburn for the highlight in the year's activities of the Truckee Outdoor Sportsmen.

This big annual event, which attracts more than 1000 guests, will be held Sunday, October 14, at Capitol Hall where Johnny and Julia Ciradella, chefs, will prepare the savory repast which will be dished out to all comers without obligation and with the compliments of the Sportsmen.

The usual awards, including a high-powered rifle and 100 other gifts, will be made at the meeting.

The queen contest, inaugurated last year with outstanding success will be repeated this year with three queens competing for honors. The Truckee Lions Club is sponsoring Miss Linda Loynd, while the Rotary Club is supporting the candidacy of Miss Sharon Tremayne and the 20-30 Club is backing Miss Jeanne Kessey. The selection of these three young women is certain to create a lively balloting and tickets will be distributed in the near future, Osburn said.

Everyone is invited to participate in the affair and enjoy the feast which will climax the year's work by the club.

Camp Fire Starts Boca Forest Fire

The Tahoe National Forest service fire crew, with the assistance of other fire fighting equipment, the Hirschdale and Crandall mills employees fought a fire reported at 11 a.m. on Wednesday near Boca Dam.

The blaze evidently started from an abandoned camp fire and threatened to cover more than the acre which burned over, the fighters brought it under control but had to remain in the vicinity to prevent sparks from continuing.

A tree stump also burned this week under Donner Ridge, another memento of a careless hunter. The fire was quenched by the vigilant forest service crew.

Mrs. Bernard Honored On Eve Of Departure For Home At Livermore

Mrs. J. H. Bernard, one of the area's best known residents, who with her late husband, Dr. J. H. Bernard, has lived in Truckee for many years, will leave tomorrow with her daughter, Mrs. Warren Davison to live in Livermore, near her immediate family.

Mrs. Bernard was of great assistance to her husband during his practice in the community and will be missed here by her friends.

Mr. and Mrs. C. W. Kydd have bought the Bernard house. Mesdames P. Lazzari, Yolanda Olan, Ernest Olsen complimented Mrs. Bernard at a farewell party, given Wednesday evening in the Donner Hotel. The honoree received the good wishes of the friends who gathered to bid her goodbye.

A special cake was served at refreshment time.

Training Program Will Be Started At Hospital

Miss Bernice L. Hotchkiss, R.N., consultant in hospital administration, state department of public health, recently met with the hospital administrative personnel to assist in working out a training program for in-service training for nursing aides.

This program will be started in the near future, and is designed around the latest methods in patient care. Tentative planning calls for class instruction by medical staff members, registered nurses, and the administrator, and the subjects are scheduled for completion in 20 hours of instruction.

The hospital staff is consistently working toward increasing the quality of care given patients, and this program should be a progressive step in this direction.

THREE LOST HUNTERS REJOIN COMPANIONS

Three hunters became lost but rejoined their camping parties during the weekend.

Deputy Sheriff Emory Lander said John T. Cooper, 40, San Francisco, left his camp in the Juniper Creek area and wound up at the Riverside Hotel.

Jack Moore, 30, got lost in Euer Valley but with the aid of officers soon rejoined his group.

Joseph Bocci spent the night in jail awaiting the arrival of members of his party when he wandered away and became lost. He asked to stay at the jail as he was without funds at the time.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Flu Bug

This autumn flu bug is mean this year. Since it has hit me I feel it is practically carnivorous. It—or I—reminds me of the story of the great, young powerful elephant trumpeting its way through the woods, uprooting pine saplings, crumpling the red firs, careening from cedar to cedar (this is a misplaced elephant in our own woods) until it came, rather suddenly upon a little mouse. "Why, you little, tiny, sniveling, shivering, cowardly creature, you. Why, do you call yourself an animal?" the elephant bellowed. The mouse managed to look up at the great creature and said, "I've been sick."

(Today this column should be

signed The Mouse.)

Get Deer

Up here in our area the first day of deer season brought in the report of three kills. Don Jackson and Jake Stuart each got theirs and Mrs. James Day bagged the first of her married life. She and her husband and Robb Triplett who also works for the telephone company went to Markleeville near the Lehman mine. The men were giving her a bad time about her girlhood hunting experiences when they raised five deer, three of which were does. The men took after the larger buck and she shot at the smaller, "only a forked horn," she says. She had to trail him and finally the men, having lost their, joined her and they got it. It dressed out at 65 pounds and she is justifiably proud and so is Jim, although he tells her that now she cannot go anymore this season. Her answer, of course, is oh and who cooks?

Jeep Trip

Linc and Pegie Dempsey left

Sunday for a week's jeep trip into the back country up West Meadow Creek from where they will slip across—if "slip" is the word—to the Rubicon River. Pegie's father, the Rubicon River. Pegie's father, deer, will jeep in to join them sometime today or tomorrow. Linc and Pegie certainly deserve this holiday for they have been busy daily at Kehoe's all summer long.

Nursery School

It may seem to be jumping the season, but only by a little, to announce that the Tahoe Lake Nursery School is selling Christmas cards—and all-occasion cards and printed stationery at the present time. Contact any member of the Nursery School. Also, like last year, dolls, ward-robed by the mothers, will be awarded at a whist party to be held in the latter part of November. Tickets may be obtained from any Nursery School mother. Officers of the school are: Eunice Hendrikson, chairman; Solvig Beavers, co-chairman; Maxine Beckman, treas-

urer; Marilyn Boyle, recording secretary; and Pegie Dempsey, corresponding secretary. Director and teacher of the Nursery School is Elaine Wright.

Rotary Meet

Tahoe City Rotarians met at the Tahoe City Inn, September 18, at a luncheon meeting with 16 members present and five visitors. Two of the visitors were Judge Leland Propp of the second superior court in Auburn and Judge Harry Carlson of our own judicial court. Judge Propp gave a brief talk on court procedures. The next meeting of the Rotary will be a regular dinner meeting at the inn on September 25.

New Station

Work is getting well underway on the new \$50,000 Chevron Standard Oil Station just immediately north of Conner's old station. Bill says the new structure should be ready for business by December 1. It will have six pumps but all the newness and modern fixings will in no way detract from Bill Con-

ner's fine and friendly service, in case any of us were worried.

On Leave

Florence B. Vernon, private first class, is home with her parents, Mr. and Mrs. W. C. Vernon, for a week's furlough.

Library Service

Joyce Spitsen, our librarian, would like all newcomers to our area to know that the library keeps open all winter. From 1 to 4 p.m. every weekday except Wednesday the library is open. Wednesday nights from 7 to 9 you will find Joyce there. It is, of course, closed on weekends.

Birthday

Monday, September 24 was Les Spitsen's birthday. Joyce held a small celebration for him that evening by having Mr. and Mrs. N. R. Mayfield, Mr. and Mrs. Don French, George Lardner, and Barbara Spitsen, whose husband, Martin, is away on a deer hunting trip, come in for cake and coffee.

Move To Cottage

Mrs. Howena Cincotta, eighth

FOREST FUNDS AID TO PLACER COUNTY

Guerton Ellis announced today that receipts for the Eldorado National Forest for the Fiscal Year ending June 30, 1956 amounted to \$1,606,544.10.

Under federal law 25 percent of this is returned to the counties based on their acreage within the National Forest, or distribution under state law for roads and schools within the counties.

The several counties will receive approximately the following amounts:

Placer, \$27,070; Alpine \$35,062; Amador, \$43,657; El Dorado, \$295,604; and Douglas (Nevada), \$240.

The Forest collections for the fiscal year just ended show a considerable increase over the year ending June 30, 1955.

NAMES COMMITTEE

SACRAMENTO (CNS)—Governor Goodwin J. Knight named a citizens committee to support the passage of Proposition No. 3, the \$200,000,000 state building construction bond issue. Herman H. Ridder, Long Beach newspaper publisher, is chairman of the group.

During the past 35 years, the production of grapes in California has exceeded that of deciduous fruits.

grade core teacher at the high school, and her two boys, Howard and Paul, moved this last weekend into Mrs. Maris Franz's cottage at Tahoe Park where they will stay for the winter.

Women's Club

Mrs. Audrey Brehler, president of the Tahoe Women's City Club announces its next regular meeting for October 4, a luncheon-business meeting at the Tahoe Inn.

Tahoe Items

Mr. and Mrs. George Lewis who have been spending the summer at Tahoe Pines, have returned to Beverly Hills.

The Harold Feakins address has changed from Tahoma to Antioch.

Mr. and Mrs. Don Huff of Home-wood have returned to their ranch at Woodland.

E. M. Frost of Kings Beach has gone back to Fontana for the coming months.

Employment Opportunity Offered In Examinations

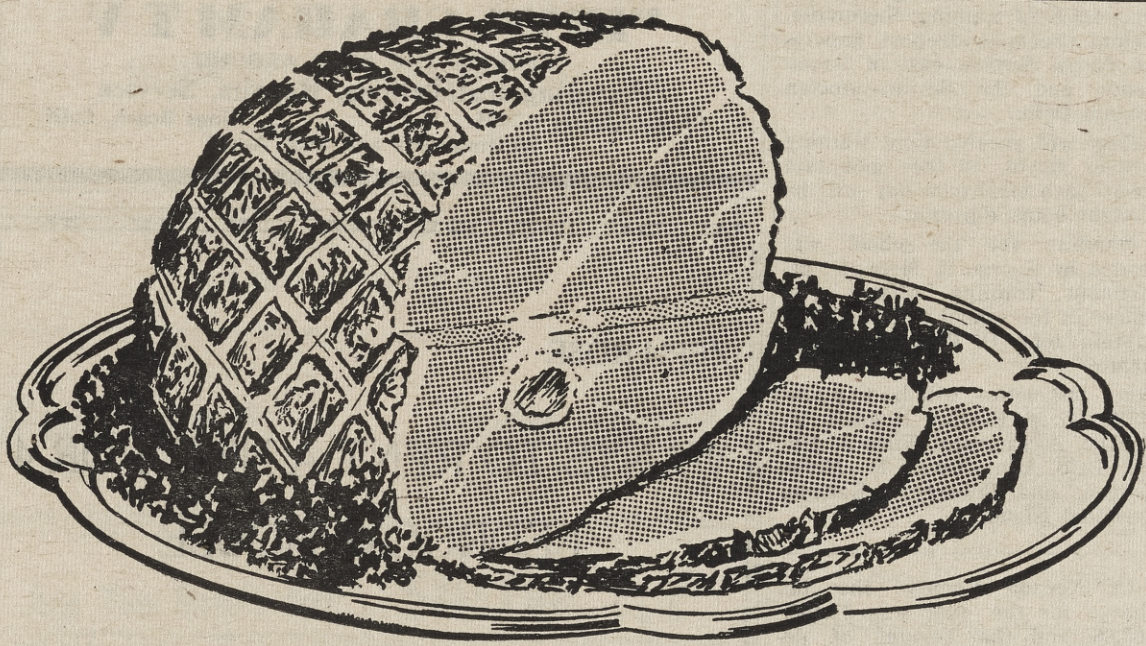

Several new employment opportunities with the State of California were announced today by the state personnel board.

The board listed the following positions for which civil service examinations will be given on October 6, 1956: Junior engineering geologist, paying \$436-\$481 a month; assistant and associate highway electrical engineer, paying \$481-\$584 and \$584-\$710, respectively; neuropathology technician, \$376-\$458; vocational rehabilitation officer I (deaf), \$436-\$530; and public health medical officer II, \$782-\$1100.

The final application date for these examinations is September 14, 1956.

Detailed information and application forms are available at the state personnel board in Sacramento, San Francisco and Los Angeles, and at any department of employment office.

TRUCKEE, CALIF

Court Ruling On Log Trucks To Be Probed In Northern Counties

SACRAMENTO (CNS)—A possible investigation of courts in northwestern California by the attorney general, as the result of testimony before a legislative subcommittee at Eureka, loomed today as Assemblyman Vernon Kilpatrick, Los Angeles, waited for a transcript of the hearing.

Kilpatrick said he would turn the transcript over to the attorney general and request a probe to determine whether the law has broken down in connection with overloading of logging trucks.

The testimony indicated, Kilpatrick said, that judges were dismissing citations given the loggers for overloading about as fast as the tickets were issued.

Other testimony indicated that the loggers are demanding jury trials and that the courts are so piled with requests for such trials that they can't be handled. Unless the trial is granted in 30 days, the citation is dismissed, the testimony indicated.

Meanwhile, the highway patrol months of 1956, a low enforcement said that urging the first six period because of the seasonal logging industry, some 6,750,000 pounds were unloaded off logging trucks, and 2313 arrests made in District 1, which composes Del Norte, Humboldt and Mendocino counties.

In many cases, the patrol requires heavily over-loaded trucks to unload their excess poundage when they are checked at official weighing stations.

District 1 is the greatest area of violation of overloading statutes, the patrol said.

San Francisco is the California headquarters for about two-thirds of the insurance organizations authorized to do business in the state.

NEW MASTER

SAN FRANCISCO — L. Harold Anderson of Palo Alto and San Francisco, was elected grand master of Masons in California at the closing session of Grand Lodge, Free & Accepted Masons of California.

Leo E. Anderson, of Los Angeles, was elected deputy grand master; Phil N. Myers, of Los Angeles, senior grand warden; and Joe L. Shell, superior court judge of San Diego, junior grand warden.

Edward H. Seims, of Oakland, and Lloyd W. Wilson of San Francisco were re-elected as grand treasurer and grand secretary, respectively.

DRIVERS ASKED TO OBEY SCHOOL LAWS

SACRAMENTO — Obey school speed zones and avoid killing our children warns the California Highway Patrol.

"There is a growing lack of obedience to speed limits in school zones," declared Patrol Deputy Commissioner Ross R. McDonald. "This failure to head school zones can easily lead to a tragic traffic accident involving a school child."

Now that children are back to school it is well for every motorist to review the speed limits in school zones as required by the law," McDonald continued. "A top speed of 15 miles an hour is in effect when passing a school building or grounds while children are going to or leaving the school during opening or closing hours or during noon recess periods."

This limit also applies when passing any school grounds which are not separated from the highway by a fence, gate or other physical barrier while school grounds are in use by children," he concluded. "Drivers must watch out for children any place, for children are apt to do the unexpected anytime."

Make every school zone and child, a slow down tip and help protect our children.

PROPERTY TAX FOR COUNTIES IS GIVEN

SACRAMENTO (CNS)—California's 1955-56 property tax bill amounted to \$1,140,898,752, Robert C. Kirkwood, state controller, announced here today after compiling reports from the state's 58 tax collectors.

As of June 30, \$13,664,391 remained unpaid, the controller said, representing a delinquency of 1.197 percent on a statewide average.

The report indicates a statewide increase in property taxes in excess of \$123,000,000 over the previous fiscal year, but a decrease in delinquency from 1.262 to 1.197

40 NEW WARDENS TO START TRAINING AT FISH, GAME SCHOOL

Forty newly appointed fish and game wardens will undergo an intensive, 17-day training program beginning October 1 before being assigned to their permanent headquarters, the department of fish and game announced.

The school, to be held at Strawberry Lodge in El Dorado County, will include human relations, technical training in fish and game law enforcement subjects, and practical experience in the field under direction of veteran wardens.

Included in the group of 40 are 30 wardens whose positions were authorized by the last legislature, six who will replace the six recently promoted captains, and four who will replace recently retired wardens.

During the two weekends of the school, the new wardens will be assigned to the following areas for practical field training: Susanville, Walnut Creek, Bridgeport, Sonora, the Sierra Nevada east of Sacramento, and the Sacramento-San Joaquin Delta.

They will receive field training in deer patrol in the mountain areas. Each classroom day will be of eight hours duration.

Planning for the school was headed by George H. Metcalfe, department training officer. In charge of the school will be Patrol Captain John O. Rhein of Sacramento.

Other instructors will be Captains Walter Gray, Eureka; Kenneth W. Hooker, Sacramento; Niles J. Millen, Palo Alto; Owen F. Mello, Merced; and Robert G. Kaneen, Terminal Island.

In Nevada County, the tax charge for the year was \$1,490,868.68, and the amount of delinquency at the end of the fiscal year was \$81,783.36. Delinquency percentage was 5.486.

Three Alcoholic Clinics Opened By Commission

SACRAMENTO (CNS) — Three more clinics for treatment of alcoholics are ready to begin operation, the state Alcoholic Rehabilitation Commission announced.

These three are located in San Diego, Highland Hospital in Alameda county and Stockton in San Joaquin county.

The commission said a clinic already is operating in San Francisco, and that signing of contracts in Sacramento and Los Angeles is imminent.

Action is waiting in Pasadena, Fresno and San Jose, the commission said for signing of contracts with local groups to assure receipt of clinic funds.

The legislature provided \$363,200 for rehabilitation clinics, and unless they are started before July 1, 1957, the available funds will revert to the state's general fund.

Star anise seed is the product of a small evergreen tree of the magnolia family native to southeastern Asia.

Yosemite Valley and the Mariposa Grove of Sequoia Gigantea, 35 miles apart, were set aside by Act of Congress in 1864 to be administered as a public trust by the State of California; they were ceded to the United States in 1906.

KINGS BEACH COMMUNITY CHURCH
Sermon: The Crisis in the Christian Ministry.
First meeting of the Methodist Youth Fellowship at 7:30 p.m. Sunday evening at the church.

Tahoe-Truckee School District News

LAKE TAHOE SCHOOL

Kindergarten: Tahoe Lake kindergartners have decided on their professional ambitions. Calvin Bechdolt wants to be a cowboy; so does Eric Poulsen, Leo Quartly, Chips Schickler and Denise Boyle. Mike Hewitt, a policeman; Steve Mitchell and Tony McLane, loggers; Greg Pyle, a rocket driver; Cheryl Bechdolt and Heidi Hendrikson both want to be nurses; Susie Jackson, a ballet dancer; Shirley Stark, a mama; Ann Starratt, a circus girl; Kathy Stowe, a clown. After deciding these vocations Denise Boyle showed the class how a ballet dancer stands and walks on her toes.

First and Second Grade: In the second grade these children made 100% on their spelling papers: Armen Abrahamian, Johnny Carnell, Jimmy Bechdolt, Chris Beavers, Martin Spitsen, Tommy Barr, Dick Pomin, Vicki Jones, Mary Lou Sartor and Darinda Stark.

Some very interesting pictures of barns were made in the first grade by: Janet Jorgensen, Mike Dempsey, Mike Burmer, Connie Day, Rocky Riggs, Barbara Nilesen, Anna Marie Connors and Tommy Carnell.

Fifth and Sixth Grade: Steve Yeager, Pamela Clark, Vicki Jo Rich and Sandy Fellows received perfect scores in a multiplication test.

The fifth and sixth grade traced the route taken by the Vikings to Vinland and then traveled with Columbus to the New World.

Michael Marvin and Danny Connors drew a very good picture of Columbus three ships, the Nina, Pinta and Santa Maria on the blackboard.

DONNER TRAIL SCHOOL

Kindergarten, First and Second Grades: We have started building a grocery store to have the experiences of making choices, using money for purchases, learning what to expect in a grocery store, being cheerful and polite to the clerk and the other customers, and making practical application of words and numbers.

We went for a morning walk one day to get some soil and see what is in it. Now we want to investigate the soil where nothing is growing to see if there is an obvious reason for the lack of growth, and to compare the two types of soil.

Third, Fourth, Fifth and Sixth Grades: What may prove to be one of the major events of the year at Donner Trail Elementary occurred Wednesday, September 19 at about 2 p.m. A group of boys stumbled into a swarm of yellow-jackets that had just swarmed on an old stump, less than 100 feet from the schoolhouse. Within seconds the yellow-jackets were in hot pursuit. The hunted included: Carl Shusky, Albert Eberhardt, Ross Merica, David Woodard, Ronald and Bruce Bailey, Tommy Tirkeldsen, David and Leonard Watts, Billy Strickland and Ricky Schulz.

The boys ran into school and the yellow-jackets stormed in after them. Something close to panic struck, as the schoolrooms and

hallway became alive with bees. While Mr. Bailey chased the students out of the school toward possible safety, Mr. Lane, the bus driver, grabbed a fly swatter and killed at least a couple of dozen within a short time. The worst victim of the attack was Bruce Bailey. He was bitten so often that he had to be sent to a doctor. The doctor said that should his condition grow worse it would be necessary to hospitalize him. Fortunately, he seems to be much improved 24 hours later.

Thursday morning, Mr. Lane sprayed the stump with white gas and set it afire. The situation seems now under control.

A new kind of fire drill is now being considered at the Donner school—yellow-jacket drill. The main idea of the drill will be to head for the hills and not spare the horses.

KINGS BEACH SCHOOL

Kindergarten and First Grade: This past Tuesday the kindergarten and first grade moved into Carpenter's Hall. Messrs. Al Nwell, Mel Throop, and several boys from Mr. Bisio's room helped move our classroom equipment. Our new schoolroom is very roomy and much to our liking. Before we moved in, a new floor was installed.

Five new students entered our room this week. The new students are Sandra and Shirley Bowlin in the kindergarten, and Jan Jensen, Valerie Kessler, and Ronald Smith in the first grade. Our classroom enrollment is now 38.

Second and Third Grades: Since nine of our third graders moved into Mrs. Dorothy Corbin's room, we now have an enrollment of 30. Nine children are in the third grade and 21 are in the second grade.

The seventh grade of the Tahoe-Truckee High School visited our class this week. Jo Ann Johnson, who is a seventh grade student from Kings Beach, told her class-

mates about the different subjects we study.

Gale Graton brought a bouquet of flowers to school.

The new girl in the second grade is Cheryl Smith.

Lynn Harper, Jean Potkay and Lucinda Hyatt shared their dolls with us on Wednesday.

Bruce Templeton brought his coin collection to school.

Chris Althoff left Thursday for Palo Alto to attend his grandmother's wedding. His grandmother is Mrs. Florence Miles. Mrs. Miles is well known in Kings Beach.

Third and Fourth Grades: Mrs. Dorothy Corbin is the new fourth grade teacher in the Kings Beach School. Her pupils are from Mr. Bisio's fourth grade class and part of the third grade class from Mrs. Wing's room. The children are very busy helping their teacher get their new room organized.

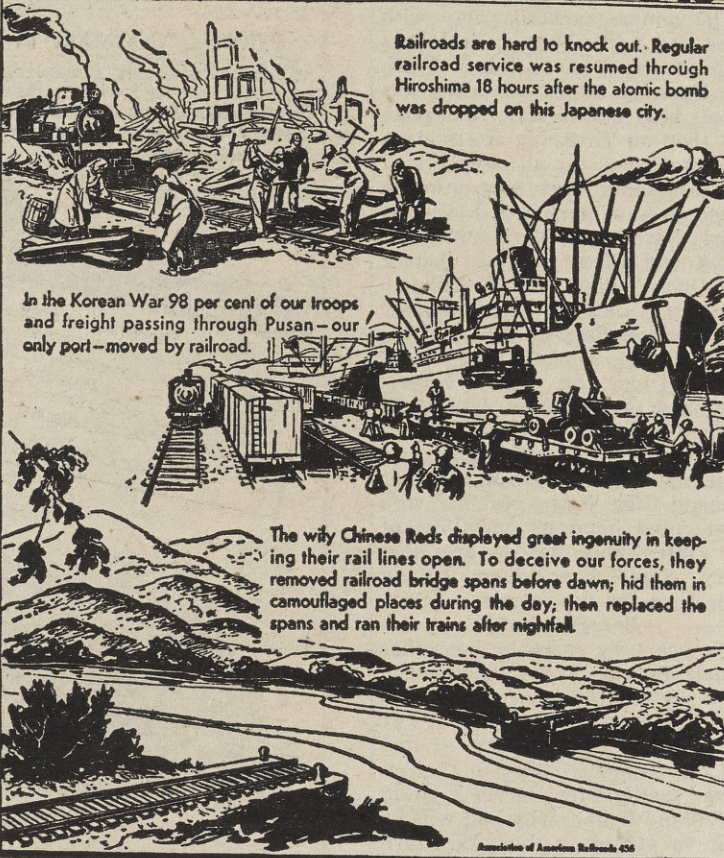

Third Grade: Terry Boatman, Steven Felte, Harvey Klitzske, Mike Reed, Phil Thompson, Loretta Barnett, Linda Bonney, Jill Robert, and Vickie Russell.

Fourth Grade: Ronnie Baker, Carl Brooks, Acky Clothier, Raymond Hill, Art Waddell, Amy Arnt, Wendy Boatman, Nancy Bervid, Penny Cassidy, Gail Fitzgerald, Carol Franklin, Suzan Graton, Esfelle Howell, Leta Laborde, Markea Diane and Wayne Mandeville.

Fifth and Sixth Grades: With the moving of the fourth grade to Mrs. Corbin's room, Mr. Bisio's class has been cut down from 46 children to 29. This is certainly an improvement.

Mr. Bisio's class is busy making a map of the United States as part of their social study unit of America. However, this map is a little different. It measures some 26 inches from Maine to the tip of Florida and 40 inches New York to California. The map is being painted on the hardtop with alu-

Rail oddities

inum paint.

TRUCKEE ELEMENTARY

Kindergarten: Each morning, as soon as the daily records are attended to, we have an hour of free activity. During this time each child has been allowed to choose the work area in which he is most interested. We feel quite well acquainted now, so next week we will start working in committees, and reporting on the interests of the individual children.

We have the usual housekeeping area which fascinates most little girls. There are blocks of all sizes for the boys who are builders, and cars and trucks for the young mechanics.

The most popular spot of all is the music corner where there is a small phonograph and collection of children's records. Our young musicians are going to be very happy when our rhythm band instruments arrive.

First Grade: Beverly King was six years old on Tuesday.

We have a new bird in our room now, called Tweety Bird.

Michael Kydd, Kathie Hart, and Beverly King were chosen to take care of him this week. Everyone will get a chance to take full care of him for one week.

Karin Meixner was chosen as flag monitor for this week.

We are busy learning to print our names correctly and also our numbers.

Judy Ingalls, Bobby Gwartney, Michelle Harris, Gary Albin, Victor Moore, Bill Rose, Philip Medina and Gay Landers have done some very nice work.

Second Grade: We are studying about train in Social Studies. We are making plans for a field trip in the near future.

Timmy McLane brought a bat for sharing time and told an interesting story about it.

Third Grade: Class officers for the month of September have been Monty Straub, president; Anne Morey, vice-president; Alex Cushing, secretary; and Diana Pankoke, treasurer.

The following were chosen as monitors for special classroom

duties: Board, Kristin Meixner and Charles Hintz; paper, Kathleen Kenyon; books, Ricky Ralphs and Linda Lee Tarbutton; autoharp, Claudia Ayala; clean-up, Mark Moore and Kenny Hensley; closet, Karen Walker; and pencils, Debbie Ellis.

Fourth Grade: The fourth grade moves right along in the conquest of the six R's.

This week the lunch card assignment was handled by Peggy Berger and Gerri Steele. Mike Ingalls, Skippy Petersen and Tommy Barth were responsible for distributing the milk. The room committee, responsible for the neatness of the room and conduct of the pupils during the noon hour, was composed of Nancy Barth, Steve Davis, Carol Kunkler and Gloria Jean Boyer. Athletic equipment was distributed by Danny Garcia, Michael Harris and Tommy Barth.

Fifth Grade: Myrna Hall from Crescent City and Ronald Buck were welcomed into the fifth grade Tuesday.

Leonard Hansley, David Notley, Jack Arterburn, Ronald Brown, Ellen Lyons, Bruce Strickler, Therene Powell and Jimmy Randall gave interesting reports Wednesday.

Barbara Steel is back in school after a very painful injury to her shoulder.

Those making a perfect score in spelling this week were Bonnie Fair, Susan Sciutto, Leilani Braasch and Sharron Rhoades.

Sixth Grade: Our class is having special drill in addition combinations. We are stressing bridging and column addition. This is to help us with carrying in the computation of multiplication examples. To help us become more familiar with the combinations we are having a series of addition time tests.

Annexation of the Hawaiian Islands to the United States was authorized by the Hawaiian constitution of 1852, but the Republic of Hawaii was not formally annexed until August 12, 1898.

Charles F. Berlenbach, Jr., Telephone Manager in Truckee

WHAT'S DOING

JUST TO SAY GOODBYE

Effective in the very near future, your Telephone Company Manager, Charles F. Berlenbach, Jr., is leaving the Lake Tahoe and Truckee area to be replaced by George Selkirk of Sacramento, who will be your new manager. It is not without regrets that we take leave of this territory as we have made many friends whom we will be sorry to leave.

We know that you will like the new manager as he is a capable executive and a good neighbor. Our stay here has been most pleasant and in saying goodbye to our many subscribers and friends we do so with some reluctance and trust that you will extend to Mr. Selkirk the same courtesy and friendship which we have enjoyed so much.

CHAS. F. BERLENBACH, JR.

"Teletrainers" teach best phone use

Any day now that high school youngster of yours might surprise you with some good tips on how to use the telephone. He'll get his ideas at school from telephone equipment called a "Teletrainer." It's a device that was created by telephone people especially for high school teachers and pupils. It teaches the students how to develop a good telephone personality, how to use a telephone directory and how best to place out-of-town calls. Above all, it teaches good telephone habits, the kind of habits that help everybody get better service from their telephones. The men and women of Pacific Telephone work to make your telephone more useful every day.

Color phones will dress up your home

When you're dressing up, color's important. You want your shoes, hat, dress or suit to complement perfectly. When you're dressing up your home, color's important, too. That's why additional phones in color fit right in. They come in eight exciting shades—red, yellow, green, blue, brown, beige, gray and ivory—as well as "two-tone" combinations. The cost? Only \$1.00 a month for each additional phone after a single installation charge. Why not call us right now and ask about adding phones in color?

UNITED AIR LINES tickets and flight information
available at S. P. Ticket Office, Starting October 1

Southern Pacific offers a new travel service—the sale of United Air Lines tickets in many communities where the airline does not have offices or representation.

Southern Pacific has been in the transportation business for many years. We have always provided travelers with information and service on trains, buses, steamships, sightseeing, resorts and hotels and now we are happy to add air travel to this list.

We believe that travelers should have the form of transportation best suited to their needs or choice.

Call Southern Pacific for all your transportation requirements—passenger or freight. You'll receive complete and friendly service.

Southern Pacific

ATOMIC FALL-OUT FROM BAY AREA WOULD HIT TAHOE

The weather bureau disclosed an atomic attack on the San Francisco Bay area would have resulted in a fall-out of radioactive debris from the San Francisco-San Jose sector northeastward through the Sacramento area to the vicinity of Lake Tahoe.

The bureau calculated the danger zone after a study of high altitude wind currents. The purpose of the study is to show that the target cities would not be alone in the

danger area. Prevailing winds would carry radioactive fall-out hundreds of miles beyond where the explosions could be seen, felt or heard.

Twice daily throughout the year the weather bureau makes its forecasts on the fall-out pattern. Normally the reports are given only to the military and civil defense authorities but they are being made public as part of the observance of National Civil Defense Week.

How are your outdoor manners? Always carry a paper bag in your car and place car litter in it; help keep our roadsides clean.

NORTH TAHOE

By JUDGE HARRY CHARRISON
North Tahoe

The annual cocktail party with Doug and Addie Free as hosts was held at the Dunes, Tahoe Vista, last Tuesday afternoon, when delicious hors d'oeuvres were served, and then on Thursday afternoon a steak barbecue for all members of the September Club was enjoyed. Those present included Nick and Pearl Powell, president and wife, Frank and Ginny Barous, George and Opal Muller, Ella Broadhead, Dave and Eleanor Stein, Roger and Marlene Farrell, Bill and Nadine Moore, Dorothy Parker, Gwenn Tudor, La Verne Nieses, Alex and Cecile Snow, Betty and Willard Spath. Hawaiian dances were danced by Opal Muller, accompanied by George Muller, her husband. The judge and his wife were voted honorary members of the club. These parties are held every September, some having been here for nine years.

Bereavement

We are very sorry to hear that Joseph Bervid had passed away while undergoing treatment in the veterans hospital in Reno last week. We are sad to hear of this and our sympathy goes to the bereaved family. Mrs. Bervid is going to Sunland temporarily and will be back to attend to her furniture later. She was in the telephone office a year ago.

Moving Around

Had a line from Don Germain. He tells me they are now living in Harbor City and that Donna enjoys it there and that the baby is getting real big, and they expect to move to Los Angeles soon.

Good And Bad

It is bad for the community, but good for Joby Lewis that he has leased his Monte Carlo Lodge, and Joby closed his doors last Tuesday night when he gave a farewell party to his many friends and also kept his promise by giving another Bel-Air Chevrolet convertible to a lucky person. The lessees are not known to the writer at the moment but we shall know the right names soon. Helen Lewis will return to Stanford Hospital this weekend to undergo an operation, which all of her friends hope will be successful, and that she will be back in perfect health after being under the weather all summer. Joby tells me they are to take a vacation for a while, and will be back at the lake some time in the near future. His plans after that have not been made to date, anyway we all wish them success and happiness for the future.

Petition

A petition is being circulated and many have already signed, to demand an investigation into the ins and outs of the North Tahoe Utility District from its institution up to the present day.

Week Kirk

Architect hired as building program passes last hurdle: District superintendent urges that the building be started this fall; plans will be ready by October 1, then maybe the excavations will commence. Maybe only a Sunday schoolroom for the start, but it is a big step in the right direction. There is still lots of room for you in the choir. Why not come and try out your voice, maybe you'll surprise yourself and others. Huh?

To Alaska And Europe

We hear that the Chester Robertsons are leaving or have left for Alaska. They were owners of the North Tahoe Laundry in Kings Beach. Gene Jarvis of the Eugene's Chalet left during the past week for Europe.

It's Your AMERICA

ORIGINAL "COONSKIN" IN THE RING

ANDREW "OLD HICKORY" JACKSON LOST THE PRESIDENCY OF THE UNITED STATES IN 1824—EVEN THOUGH HE HAD RECEIVED THE LARGEST POPULAR VOTE OF THE FIVE CANDIDATES. HE BECAME PRESIDENT IN 1828 AND WAS RE-ELECTED IN 1832.

LIBERTY QUOTES
"WE BELIEVE THAT THIS COUNTRY WILL NOT BE A PERMANENTLY GOOD PLACE FOR ANY OF US TO LIVE IN UNLESS WE MAKE IT A REASONABLY GOOD PLACE FOR ALL OF US TO LIVE IN."
—Theodore Roosevelt

AMERICANS ALL

IN THE WAR OF 1812, NEW ORLEANS WAS A DEFENSELESS CITY OF "STRANGERS" WITH DIFFERENT HABITS AND SPEECH. JACKSON COULDN'T UNDERSTAND OR SPEAK THE LANGUAGE OF MANY OF THE PATRIOTS; YET HE AND THEY FOUGHT FOR THE RIGHT OF THESE PEOPLE TO BE FREE, INDEPENDENT AND AMERICAN—UNITING RACES, CREEDS AND LANGUAGES UNDER THE MOTHER TONGUE OF DEMOCRACY.

to the beautiful lake. The latest is Jimmie Jensen, baseball star and his wife, Jo Ann Olsen, former diving champion of the Olympics have purchased the home of the Ray Ehlers at Crystal Bay. They have two children, one attending the Kings Beach school, and in turn the Ehlers have taken over the home of Joe Tiano. It is certainly a beauty and beautifully furnished.

Poor Dear

Well Sunday morning early just validated the first deer, and who should it be but young Stanley Baker, being assisted into the house by Phillip Mandeville. Stan was as excited as a kitten. He's not much bigger at that. The poor little deer weighed about a hundred pounds.

Wonderful Night

One of the most delightful banquets we have been to in a long time was that of the combined clubs the Sacramento and Brockway Rotary Clubs, being the guests of Lee and Gladys Wilcox of the West Sacramento Club. Around a hundred present. Johnny Rayburn did himself proud supplying cocktails and cigars, corsages and badges for the ladies, and the fun among the gathering made it an evening to be remembered. Pappy Brooks, president of the club, presided, assisted by E. J. Stokes, the club secretary, at the other end of the table. Stokes is a very capable secretary, too.

Business Association

A meeting of the Businessmen's Association was held on Septem-

ber 21 at the Crystal Bay Club, with Robert Stevenson presiding. Many problems were discussed. The meeting, according to Maxine Polzin, secretary, was one of the best yet held. The main discussion was on the road signs and the intention is to place signs away off on heavily traveled highways, and to have signs directing travelers to North Lake Tahoe, instead of to Tahoe Vista or Kings Beach, as heretofore. This is a great step in cooperation of the Northerners. This meeting was the first of the fall season. The next meeting will be on October 10 at the Buckhorn Inn. Call Maxine for further information.

Autumn Leaves

Autumn at Tahoe, in fact any where that has the forest area, is the most picturesque time of the year and today, Sunday, the weather has been beautiful. It looks as though we shall have a beautiful Indian summer. Already the leaves are turning to gold, and the Truckee shortcut is a sight to behold. I had a letter from a friend which said, oh to be at Tahoe in October. Well, here it is if they wish to come.

Young Hunter

Just had a young 12-year-old boy by the name of Nickel Hall, nephew of Sophie Levra of Kings Beach, bring in a buck, around 160 pounds. Of course it was his first license and was he ever proud. Nickey is a star Scout in his home town of Lorenzo. Oh, yes, the fath-

Manufacturing Work In State Hits High Record

SACRAMENTO —(CNS)— The state department of industrial relations announced a new July record for manufacturing employment in California surpassed only by the employment figure for July of the war year 1943.

The department said 1,154,100 wage earners were employed last month in the state, a gain of 13,500 over June, and 55,000 over the level for July of last year.

Seasonal increases in the canning industry were main factors in the increase over June.

According to the department, the auto industry in California reported a small increase in employment for the month, the first increase in that industry this year. Aircraft employment during July rose to a new postwar high.

New High Reached In Employment In California

SACRAMENTO —(CNS)— The state department of industrial relations reported today that non-farm employment in California rose to a new high of 4,251,400 workers during July, an increase of 8,500 over June.

The department said the new high was 223,100, or six percent, over July, 1955.

Largest gains were reported in manufacturing, which added a total of 57,500 workers during the year, and trade, up to 48,500.

er got a dandy also. What luck some people have.

Welcome Strangers

Now of all people to sell their spacious Pine Cove Cottages in Tahoe Vista were Meredith and Dee Siple, who have been there for quite a number of years. They are now in the process of building a beautiful home on their old Tuck Haven property only a little way from their cottages. I understand the lucky new owners are Harry and Vivian McIntyre of Lancaster. They have two children and will be an asset to the community.

Sorrow

Very sorry to hear of the passing of O. N. Barnum who had a home on the Golf Course road, Kings Beach, and only a couple of weeks ago left for Los Angeles, where he underwent an operation in the White Memorial Hospital. Funeral services were held at Glenhaven, Los Angeles, on Tuesday, September 25. He leaves a son, Harold Barnum, of Kings Beach.

An effort was made in 1858 to organize the State of Jefferson, to include the present area of Colorado and large areas now within the states of Nebraska, Wyoming and Utah.

TAX DELINQUENCY SETS STATE RECORD

NEVADA CITY—Nevada county has the unenviable record for the second straight year of leading all counties in the state in the percentage of delinquencies for tax payments for 1955-56.

The Nevada county record this year as last stems from the fact that one of the county's largest tax payers, the Idaho-Maryland Mines Company, failed to pay the 1954-55 tax charge.

The tax charge of Nevada county of \$1,490,868.68 failed of collection by .05436 per cent or an actual amount of \$81,783.36. This has led the Nevada county board of supervisors to take 10 per cent off the top of assessed valuation for tax delinquencies in figuring the budget.

Last year Nevada county had a delinquency of .04722 per cent.

The state average delinquency for the past year dropped slightly to .01286 per cent.

Seventh highest delinquency in the state was Placer county with .02400 per cent and sixth highest was Sierra county with .02663 per cent.

County Clerks Required To Open Office Sat. a.m.

SACRAMENTO (CNS) — Attorney General Edmund G. Brown ruled that clerks of superior courts in California must keep their offices open on Saturday mornings.

Brown said the clerks' offices must be kept open on all days except legal holidays and nonjudicial days specified in the state constitution.

Saturday from noon to midnight is a holiday under the government code, Brown stated.

The attorney general said the offices of county clerk and clerk of the superior court are separate in this regard, and that the clerk of court must be on hand on Saturday mornings to assist superior judges in transaction of Saturday morning business.

The opinion was requested by Joseph Maddux, district attorney for Sonoma county.

251 Cases Of Rabies In State During 8 Months

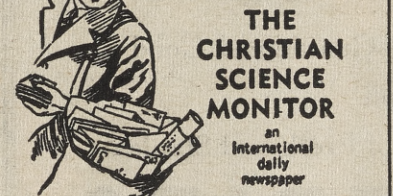

SACRAMENTO (CNS) — Report of the state department of public health indicates that 251 cases of rabies have been found in California for the first eight months of the year.

Almost half the cases were discovered in dogs, the report said, while other animals, including skunks, cats, cattle, bats, gophers, accounted for most of the rest of the cases.

Truck Operators Warned On New License Period

Owners of commercial vehicles were reminded today by State Motor Vehicles Director Paul Mason that application for last quarter registration renewal must be made on or before October 5.

The optional quarterly renewal privilege is extended under the law to registration of commercial vehicles subject to weight fees, as a convenience to owners who use their equipment for seasonal hauling.

At the October renewal, quarterly registrants will receive for the first time new license plates. The plates, dated 1956, will remain with the vehicles for four years, as in the case of passenger cars, and at each subsequent quarterly renewal tabs or stickers will be issued in colors to designate the particular quarter for which the vehicle is registered.

Because of the new plate issue for the last quarter of 1956, owners may register at any regular full time department of motor vehicles branch office. Renewals applied for by mail must be postmarked before midnight, October 5, to be free of penalty.

County Parole System May Be Change In State

SACRAMENTO (CNS) — The senate committee on governmental administration will hold a public hearing in Sacramento October 22 to consider revision of county parole board membership.

George Miller, of Contra Costa county, chairman of the committee, said membership at present is restricted to district attorneys, sheriffs and chiefs of police.

"Many persons, including a number of judges, contend that law enforcement officers should not be given power to both place people in jail and determine the release date

Strengthened Financial Responsibility Law On Vehicles Goes In Effect

SACRAMENTO (CNS) — A strengthened financial responsibility law went into effect in California September 17, Paul Mason, director of the state department of motor vehicles, announced here today.

The new provisions, he said, enacted in 1955, relate to suspension of the registration cards and license plates of motor vehicles involved in accidents that must be reported to the department.

Commonly known as the "grounding" provisions of the law, they have been under review by the attorney general. His opinion has been released, and says in part: "Where the registration card and license plates of a vehicle have been suspended by the department, the department is required to refuse to transfer the registration of title to such a vehicle during the period of such suspension."

Mason said he has instructed department registration personnel to issue no transfer documents no vehicles under suspension due to the operation of the new law.

VET PRIORITIES

SACRAMENTO (CNS) — Priorities for veterans who do not as yet own a home were established today by the Department of Veterans Affairs, J. Marvin Russell, director, announced. Preference will be given these veterans over others who have bought homes and are refinancing to come under provisions of the veteran laws of California.

of these persons," Miller said. Miller said the committee will receive testimony from judges and "other interested public officials."

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, State of California, hereinafter referred to as the "Owner" will receive up to, but no later than 5:00 P. M. on the 9th day of October, 1956, sealed bids for the award of a contract or contracts for removing trees, clearing and grading Kings Beach School grounds, the site being located at Kings Beach, California. Such bids shall be received at the office of the Superintendent of Schools, Tahoe-Truckee High School, Truckee, California and shall be publicly opened and read aloud at the above stated time.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II, of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Classification	Hourly Wage Rate	Legal Holidays and Overtime
Laborer	\$2.42½	*
Power Grader, Power Planer, Motor Patrol or any type Power Blade	3.25½	*
LeTourneau Pulls (Jeeps, Terra Cobras, LaPlante Choate, and similar types of equipment)	3.25½	*
Tractor Operators	3.09½	*

*OVERTIME: Regular—Time and one-half.
Sundays and Holidays—Double time

Each bid must conform to the requirements of the plans and all other documents comprising the contract documents. The Contract documents may be examined and copies obtained at the Office of the Owner, Tahoe-Truckee High School, Truckee, California.

No bid shall be considered unless it is made up on a form provided by the Owner and accompanied by the certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it is awarded to him in conformity with the contract documents and shall provide the surety bond or bonds required within five (5) days after notification of the award of the contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty (50%) percent of the contract price, and a faithful performance bond in an amount equal to one hundred (100%) percent of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and/or waive any irregularities or informalities in the bidding.

Dated this 11th day of September, 1956.

High School News

Items of interest at the high school this week includes the annual fall meeting of the Inter-scholastic League of Nevada, scheduled for Ely on Saturday and Sunday, September 29 and 30. Jim Brehler of the high school staff will represent Tahoe Truckee High School at this meeting, at which time the league will adopt a newly revised constitution.

The boys' intramural touch football program was scheduled to get under way this week under the direction of the Block T organization. New changes for the program this year include the rearrangement of the two divisions which called for

the moving of the ninth grade into the Junior League along with the seventh and eighth grades, thereby allowing for more equal competition.

The other major change in the program concerns members of any varsity or junior varsity team. These boys will no longer be allowed to compete in the same intramural sport during the time they are members of an interscholastic team, but will be allowed to compete in the individual sports and tournaments as well as in those sports which do not coincide with the school sport in progress. This policy will tend to increase the participation in intramurals for those boys who do not take part in the interscholastic program, but who do wish to have some form of competition in athletics.

Basketball, volleyball, softball, tennis, ping pong, track, speedball and badminton are included in the school intramural program along with the touch football.

Results of W.N.C. "A" Division football games last weekend, while the Wolverines were idle, were as follows:

Carson City 21—Fallon 21.
Winnemucca 14—Lovelock 12.
Loyalton 12—South Tahoe 0.
Douglas 19—Stewart 7.

Culverts Installed

Two large metal culverts at the intake were reported to have been installed last week on Trout Creek by Saunderson's Water System.

The water in the system was said to have been muddy during the construction of the culverts but cleared following the completion of the work.

CARD OF THANKS

Thank you for your help in making my birthday a pleasant surprise. I was very happy to be able to share and celebrate the day with you. FOSTEN WILSON

Financing Of Book Will Occupy Auburn Meet

AUBURN—Financing of still another printing of the four-color mother lode map will be the main topic on the agenda of the Golden Chain Council of the mother lode, when representatives from the eight counties of the gold country meet in their bi-monthly luncheon meeting at 12:30 p.m. Friday, September 28 in the Hotel Auburn.

HIGHWAY 40 MEETS SET FOR OCTOBER 3

District Highway Engineer J. W. Trask announced that a public meeting will be held in the Veterans Memorial Hall in Auburn at 3 p.m. October 3 for the purpose of presenting to interested persons the findings and recommendations of engineers on three sections of U. S. Highway 40 in Placer County. The three sections to be discussed are: (1) Between one mile east of Newcastle and Elm avenue in Auburn; (2) Between Heather Glen and Colfax, and (3) Between Colfax and one mile east of Magra.

Trask said that funds have been budgeted for the three projects and the meeting is in accordance with requirements of the federal highway act of 1956 and regulations of the bureau of public roads. The scheduled hearing is one of the last steps before letting contracts and actual construction gets underway.

Leave Lake Tahoe—

The J. M. Dixons are in Santa Barbara, having left Crystal Bay.

To City—

Patricia Lambres has written of an address change from Truckee to San Francisco.

Guests—

Mrs. Oscar Schumacher left Wednesday for Paradise where she will meet her sister and niece, Mrs. Bertha Ehrliche and Miss Geneva Ehrliche of Southern California. The Schumachers had as recent guests, Mr. and Mrs. Albert Norenberg of Arlington.

Leave Lake Tahoe—

The John Hubers have left Tahoe City for Marysville.

Move To Norden—

Mr. and Mrs. Jack deRyk have moved from Truckee, having a Norden address now.

Marriage License—

Louis Johnson, and Willetta Townsend, both of Truckee, received a marriage license at Reno.

Here For Hunting—

Mr. and Mrs. A. L. Davidson of Roseville are visiting their sons-in-law and daughters, Mr. and Mrs. Herbert Copeland and Mr. and Mrs. John McGlade during the hunting season.

CHURCH NOTES

At the Sunday morning service at 11 a.m. Rev. Osman will continue his series on the words of Jesus about himself, when the message this Sunday will be, "I Am the Good Shepherd."

The Woman's Society of Christian Service will hold its first evening meeting Monday night, October 1 at the church at 8 p.m. Following the business meeting the program will be "The Spirit of Christ—for All of Life."

The first quarterly conference of the church year will be held on Tuesday, October 2 in the church basement. A quarterly conference comprises all the membership of the church, but also those constituents who indicate an interest in the work of the church. The Rev. Douglas Ewan, district superintendent will preside.

CHURCH SERVICES

Southern Baptist Mission services are held at 11 a.m. each Sunday in Capitol Hall by Rev. Gilbert Pierce. Sunday school classes are held each Sunday at 9:45 a.m.

NOTICE

After September 13, 1956, I will not be responsible for any debts or other obligations contracted by the Lucas-Stevenson Chevron Station at Kings Beach. (s27p) TOM LUCAS

Insurance Man To Speak At Brockway Rotary Club

KINGS BEACH—Leon Barker, program chairman of the Brockway Rotary Club, has announced that Edgar Lion, of Fireman's Fund Insurance Co. in Sacramento and a member of the Speakers Bureau of Western Insurance Information Service, will speak at the Rotary's dinner meeting on Monday October 1 at 7:30 p.m. at the Crystal Bay Club.

"Let's Face Facts," the subject of Lion's speech, concerns our responsibilities as drivers and lends some very pertinent information on the subject of accident prevention.

Little Returns—

R. N. Little is expected to return this week from the east where he has been the guest of his son-in-law and daughter, Mr. and Mrs. Richard George.

West Sacramento Joins Lake Rotary For Meet

KINGS BEACH—Saturday night the Rotary Clubs of Brockway and West Sacramento held their annual get-together meeting in the dining room of the Crystal Bay Club with 78 Rotarians and guests present. President Brooks opened the meeting by calling for introductions of guests after which he turned the meeting over to President Ken Schreck of the West Sacramento Club.

Schreck gave a few remarks and then there being no scheduled program the social hour consisted of impromptu speeches, jokes and singing. Dinner music was by Pianist Dale Kerr.

Clubs represented besides the above mentioned ones were Tahoe City and Reno.

A round table meeting was held Monday night, September 24, and clubs represented were Tahoe City,

Arden Arcade, Grass Valley, San Clemente, Woodland, and Catalina-Tucson.

by EDGAR RICE BURROUGHS

71STRESSFUL CRIES ALERTED THE JUNGLE LORD, AND HE SOON FOUND THAT TWO MEN WERE HELPLESSLY TRAPPED BY A BAND OF HYENAS!

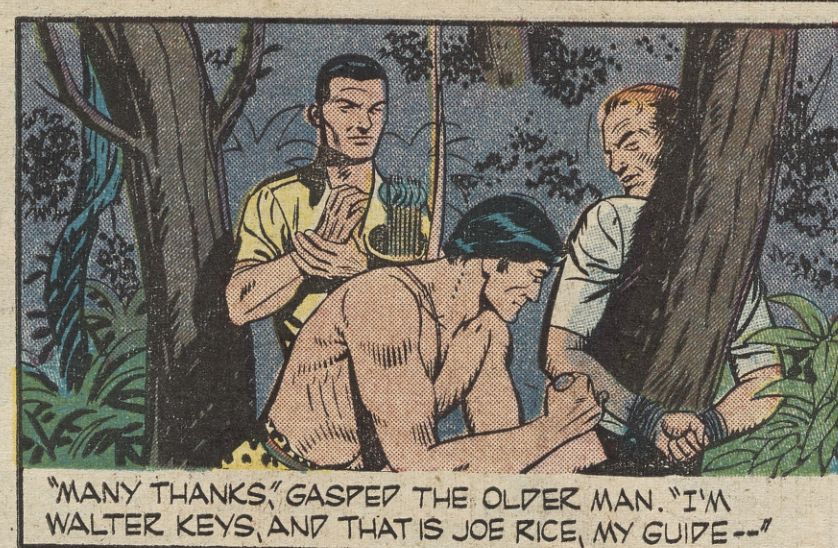

ONE HYENA LEAPED FOR A VICTIM'S THROAT-- BUT SUDDENLY THE APE-MAN'S KNIFE HURTTLED THROUGH THE AIR AND PIERCED ITS COWARDLY HEART!

WARILY NOW, TARZAN RETRIEVED HIS WEAPON, BUT THE OTHER HYENAS CONCEDED DEFEAT AND SILENTLY SLUNK AWAY.

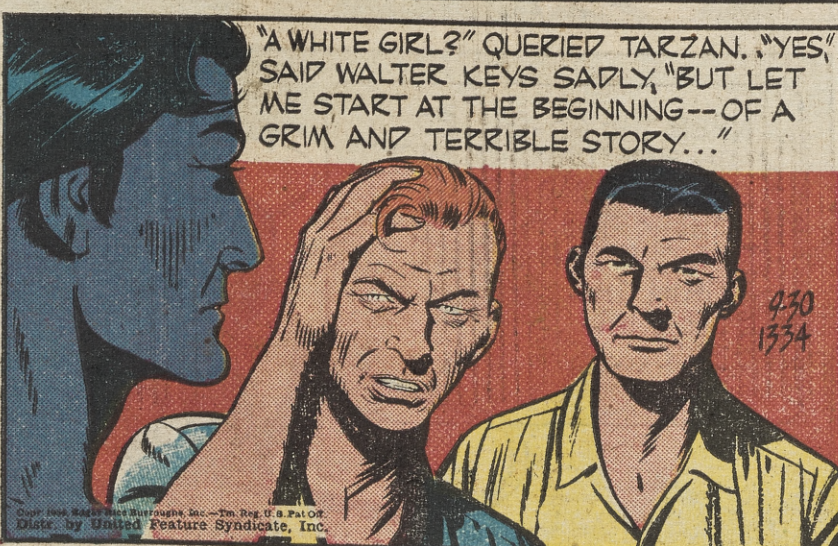

"MANY THANKS," GASPED THE OLDER MAN. "I'M WALTER KEYS, AND THAT IS JOE RICE, MY GUIDE--"

"NOT ANY MORE," INTERRUPTED RICE. "I'M CONVINCED THAT NO GIRL COULD SURVIVE AMIDST THESE MURDEROUS NATIVES!"

"A WHITE GIRL?" QUERIED TARZAN. "YES," SAID WALTER KEYS SADLY, "BUT LET ME START AT THE BEGINNING--OF A GRIM AND TERRIBLE STORY..."

The Toobies

by the BAERS

9/30

HAVE A NICE TIME, JANE—AND DON'T WORRY ABOUT THE TWINS!

WE NEVER WORRY WHEN THEY'RE WITH YOU, MOTHER TOODLE!

—IT'S RAINING, PA—CLOSE THE WINDOWS WHILE I TAKE PENNY AND PAT UP TO BED—

HUH?

JEEPERS! LISTEN TO IT POUR!

YOU'LL HAVE A FINE SLEEP TONIGHT AND TOMORROW WE'LL HAVE LOTS OF FUN!

SEEMS LIKE EVER' TIME WE SLEEP HERE IT STORMS!

RUMBLE!

OOOOO—DON'T LEAVE US, GRAM!

THAT WAS A REAL CRASHER!

THAT'S ONLY THE ANGELS MAKING UP THEIR BEDS—NOW TRY TO SLEEP—

WE DON'T MIND THE NOISE OF THE ANGELS, GRAM—BUT—THEY KEEP US AWAKE WHEN THEY CAN'T MAKE UP THEIR MINDS WHETHER TO TURN THE LIGHTS OFF OR ON!

CRASH!
